Burning The Candle Of Awareness

Today's lifestyle is vastly different from the lifestyle of ancient times. The lifestyle of a modern man is busy, fast and tedious. Everything is out of order except speed. Osho says, "you are going fast, but you are going so fast that you have no time to look at where you are going and why you are going there."

MAIN STORY

Meditate And Be Active

If you suppress energy then you will become aggressive -- don't suppress energy. This is one of the deepest problems for modern man. Primitive man needed much energy for his day-to-day life. Going for a hunt needed much energy -- eight hours running in the forest...

Let Go And Float In The River Of Life

Life has always been so, modern or primitive. Tensions are there, anxieties are there. Objects change, but man remains the same. Two thousand years back you were driving a bullock cart; now you are driving a car -- but the driver remains the same. The bullock cart has changed -- things are different now, you are driving a car -- but the driver remains the same...
